4. Warranty Claim Procedures

- Return to the authorized Silicon Power dealer or distributor from which you purchased the Silicon Power product. Please confirm the warranty policy terms with your dealer's or distributor's return policies prior to returning the product.
- Returning directly to the Silicon Power service centre: Obtain a Return Merchandise Authorization (RMA) number through Silicon Power's [website](#), and follow the product return procedures.

5. Repair Charges within Warranty Period

Should the product fail under normal use in the recommended environment due to improper workmanship or materials, Silicon Power will repair the Product or replace it with a comparable one without any charge for parts and labor. Please note that the limited warranty does not cover any defective products caused by any of the mentioned factors listed above (ex. misuse, neglect, abuse, beyond warranty period, outside warranty, etc.)

6. Remarks

- The warranty does not cover any recovery or back up on any digital data in the product. It is highly recommended to save (back up) any programs, digital data before sending products to SP for warranty service. SP does not guarantee the completeness of the data stored in products during the RMA process and is not liable for any damages or losses of digital data stored in products during the RMA or even delivery process.
- SP will either replace it with a refurbished or new one or repair it to be functionally equivalent to a new one. Hence, the repaired product that you receive might not be the one you originally sent.
- Due to ongoing technology or in case of discontinuity of any product, SP will be unable to repair the product, and therefore replace the product with a comparable one.
- The new, refurbished or functionally equivalent product provided by SP under the Warranty Service will be warranted for the remainder of the original warranty period
- To continuously improve the quality and performance of our products, SP reserves the right to change the appearance, content or specifications of our products without prior notice.
- For limited Lifetime Warranty products, the warranty service starting from the original purchase date until the end of product life cycle. (The end of product life cycle is determined by SP).
